

**CS365 Mathematics of Computer Science**  
**Spring 2007 – Dr. George Bebis**  
**Homework 4 (Group Assignment)**  
**Due Date: 4/10/07**

1. Exercise 6 (Section 2.3, page 146)
2. Exercise 14 (Section 2.3, page 146)
3. Exercise 36 (Section 2.3, page 147)
4. Exercise 16 (Section 2.4, page 161) – using sum properties and formulas (i.e., not by summing individual terms)
5. Exercise 22 (Section 2.4, page 162)

**Contribution Statement**

Include a statement describing the contribution of each group member in solving the problems of this homework assignment. In particular, comment on positive and negative aspects of this group work. If you cannot work with your partner on this homework, you should inform me as soon as possible. Individual solutions WILL NOT be accepted unless there is an important reason.

**Groups**
