Software Project Management Video Clip

Find online a video clip on any project management topic and write a short description for it (300 to 500 words). Provide reference, explain what the video presents, summarize its significance, and explain why you find it interesting and worthwhile watching. Also, briefly explain your views on the topic(s) presented in the video clip.

When choosing the video remember that you might have to present it in the class and briefly describe it to your colleagues and the instructor.
