1. Exercise 14 (Section 3.8, page 255)
2. Exercise 24 (Section 3.8, page 256)
3. Exercise 4 (Section 4.1, page 279)
4. Exercise 42 (Section 4.1, page 281)
5. Exercise 12 (Section 4.2, page 292)

Contribution Statement

Include a statement describing the contribution of each group member in solving the problems of this homework assignment. In particular, comment on positive and negative aspects of your group work. Please note that if you cannot work with your partner on this assignment, you should inform me as soon as possible. Individual solutions WILL NOT be accepted unless there is an important reason and you have contacted me in advance.
