Project Part 3: Prototype Implementation

Due:	Demos on December 13 or 14, 2017 Source code by email by December 15 at 9:00 pm
Points:	100
Weight in course grade:	12%

Deliverables of Part 3 of the Project

This final part of the project involves demonstrating it to the instructor on December 13 or 14, and submitting the commented source code of your prototype software (by email) to the instructor by Friday December 15 at 9:00 pm.

- 1 Demo.** Several use cases/features of your project should be shown step-by-step to demonstrate the interface and the functionality of your software. The day and time of your demo will be scheduled before December 7.
- 2 Source code.** The commented source code of your program should be submitted by email before December 15 at 9:00 pm to the instructor (single ZIP file named [P3_YourProjectNumber.zip](#)).
