

Department of Computer Science and Engineering
College of Engineering, University of Nevada, Reno

CS 420/620 Human-Computer Interaction

Assignment #1

September 4, 2012

Due: Thursday, September 13, 2012, 8:00 pm (single PDF file named A1_YourLastName)

Points: 50

Weight in course grade: 5% (CS 420) and 4% (CS 620)

HCI Video Clips

Find three HCI video clips online and write short descriptions for them (100 to 200 words each). For each video clip concisely explain what it presents, its significance for Human-Computer Interaction, and why you think the video clip is worthwhile watching.

Each video clip should have a length of between 2:00 and 8:00 minutes (note that this can be an excerpt of a longer video, in which case indicate the selected start and end times).

Provide the complete and correct links for the video clips (make sure they are clickable).

Send the assignment as a single PDF file to the instructor by email at dascalus@cse.unr.edu. Name the file A1_YourLastName, for example A1_Jones.
