CS 426 Senior Projects in Computer Science

Project Part III: Project Progress Demo

April 2, 2013

Due: Demos between April 4 and April 11, 2013
Points: 100
Weight in course grade: 10%

1. At the time your project progress demo is scheduled please bring to the instructor a printed handout with the following:

   (a) A list of use cases/scenarios/requirements implemented that will be demonstrated during the project progress demo;

   (b) A list of use cases/scenarios/requirements that are not yet implemented but will most likely be by the time of the final internal demo in this class (end of April).

2. Within 2 days after your project progress demo, please send an electronic copy of items (a) and (b) above to the instructor together with:

   (c) A summary of current project status (between 0.5 and 1 page)
