Project Part 4: Progress Demo

March 29, 2016

Due: Demos to the instructors between April 5 and April 8, 2016

Points: 100

Weight in course grade: 9%

- 1 At the time your project progress demo is scheduled please bring to the instructors a printed handout with the following:
 - (a) A list of **use cases and/or requirements implemented** that will be demonstrated during the project progress demo;
 - (b) A list of **use cases and/or requirements that are not yet implemented** but will most likely be by the time of the final internal demo in this class (end of April).
- 2 Within 2 days after your project progress demo, please send an electronic copy of items (a) and (b) above to the instructor together with:
 - (c) A summary of **current project status** (between 100 and 300 words)
 - (d) **Contributions of team members:** Indicate how much time each team member worked on this project part (P4), and on which specific activities.
