Manuscript Submission Form

Proceedings of the 35th Southeastern Conference on Combinatorics, Graph Theory, and Computing

We assume that you are using word processing software (LaTeX, Word, etc.).

- Please ensure that your paper is in camera ready form.
- Pages are to be justified on both sides
- EXACTLY filling a box of dimensions 4.5 by 7.2 inches.
- Please prepare your paper in 10 point Times (or similar font).
- Use single spacing for straight text, and do not set off single symbols.
- All diagrams should be in black ink; labels should be typed, not hand-written.

TWO COPIES of your paper should be submitted by May 14, 2004 to:

Dr. J. L. Allston
Utilitas Mathematica Publishing, Inc.
Box 7, 107 Helen Glass Building
University of Manitoba
Winnipeg, MB
Canada R3T 2N2

Send papers by the US postal service. Do NOT use UPS or FedEx; that will merely delay your paper.

NEW If you prefer, you can submit an electronic version of your paper to Jeff.Allston@nrc-cnrc.gc.ca. The paper must be in either postscript (.ps) or portable document format (.pdf). The above formatting rules still apply. For compatibility reasons, we are unable to accept papers in TeX or LaTeX format.

- When you submit your manuscript, you MUST fill out this form.
- Ordering reprints is not a condition of publication;
- informing us whether or not you wish reprints is definitely a condition of publication.
- If the referee accepts your paper, you will receive a bill for reprints, if you have ordered them.

- Acknowledgement of papers will be by email. Thus, if you wish acknowledgement of your paper, you must include your e-mail address.

These proceedings form the basis of Volumes 166-171 of Congressus Numerantium. Please fill in the title of the paper you are submitting (use a separate form for each paper).
