Inspect Part

Inspecting part:

right_front_tire

Inspection Action:

Check tire tread for rocks and damage.
If a rock is jammed in the tread and I can't free it by hand or if the rock appears to be deep, call a tire expert.
Check the sidewalls fo the tire for slashes or bubbles.

Inspection Attempt: 0 Max Attempts: 3

Check tire tread for rocks and damage.
If a rock is jammed in the tread and I can't free it by hand or if the rock appears to be deep, call a tire expert.
Check the sidewalls fo the tire for slashes or bubbles.
